Message

I am happy to note that that Vigilance Awareness Week-2021 is being observed from 26th October to 1st November 2021 under the aegis of Central Vigilance Commission on the theme "स्वतंत्र भारत @ 75: सत्यनिष्ठा से आत्मनिर्भरता" - "Independent India @ 75: Self Reliance with Integrity". I am also glad that the Vigilance Department has included various activities to make the event participative and informative.

Like previous years, this year also we are observing Vigilance Awareness Week with a noble aim to bring awareness among the public about the ill effects of corruption. Several activities for creation of awareness towards the policy of achieving transparency, accountability and corruption free governance are being organised. I call upon all the employees to actively participate in the movement against corruption to achieve the mandate of the Commission in letter & spirit.

Let us pledge during the week to maintain the highest standards of conduct and integrity in our day to day functioning and discharge our duties and responsibilities with honesty, dedication and sincerity throughout the year. It is incumbent on our part to make every employee and citizen realize the need to collectively combat the menace of corruption so that our organization and country at large can reach greater heights of prosperity.

I extend my heartiest wishes to the Vigilance Department for success in their endeavours during the Vigilance Awareness Week. Let us put our best efforts in spreading the message of being Vigilant and participate in large numbers in all the activities and competitions organised by the Vigilance department to make this Week a great success.

(Manoj Kumar)
