- iii) There shall be no supply of coal against the D.Os already issued w.e.f 00.00 Hrs of 1.4.2017 and the coal value shall be refunded to the customers without forfeiture of EMD for the quantity that could not be delivered by WCL in the absence of valid declared grade of coal.

- i) No fresh D.Os shall be issued against the successful bids and the amount towards coal value deposited for issue of D.Os shall be refunded along with the corresponding amount of EMD.

However, the bidders seeking to lift lower grade of coal (as applicable as per the grade declaration for the year 2017-18) against the successful bids at the same bid price, may submit the written option to WCL. In that case, the D.Os against the payments already submitted shall be issued for the revised grade(s) and by charging the same bid price at which the concerned bids were secured in the auction.

ii) In case of payment of coal value against the successful bids falling due on or after 1.4.2017, the bidders need not deposit the payment with WCL and in such cases the EMD shall be refunded.

However, the bidders seeking to lift lower grade of coal (as applicable as per the grade declaration for the year 2017-18) against the successful bids at the same bid price, may submit the written option to WCL. In that case, the payment should be deposited within due date notified for payment and the D.Os shall be issued for the revised grade(s) and by charging the same bid price at which the concerned bids were secured in the auction.
