## NOTICE: Demand of Coal of NRS Consumers Under Import Substitution

It has been observed by MOC & CIL that several non-power plants in Central and Western Part of India are importing coal from different countries for blending purposes or direct use. A need has arisen for consumption of the domestic coal instead of imported coal to save valuable foreign exchange and as sufficient domestic Coal is available with Western Coalfields Ltd (WCL).

With a view to assess the demand of Non Regulated Sector (NRS) coal consumers located in Central & Western Part of India, which can substitute their import by procuring domestic coal from WCL, all such consumers are requested to kindly provide the details of coal imported by them during last 2 years and their demand of coal against imported coal for FY 2020-21.

All such consumers are requested to send their details along with supporting documents to office of HoD(M&S), WCL HQ or through email on [gmsmwcl@gmail.com](mailto:gmsmwcl@gmail.com). After analyzing the demand against imported coal, suitable efforts shall be made by WCL to supply the coal from sources of WCL.
