Coal supplies to erstwhile FSA holders of WCL whose FSAs were signed under NCDP having MPQ less than 4200 TPA

Appended herewith is a list of consumers (excluding Cokeries) with whom FSAs were signed with WCL in pursuance to NCDP having normative requirement (based on MPQ) less than 4200 TPA and which were valid for the period till 30.10.2016.

Tranche-I Linkage Auction for "Others" sub-sector (excluding Cokeries) was concluded on 26.10.2016. However, the consumers having normative requirement of less than 4200 TPA were not eligible to participate in the same and they are supposed to procure coal through the mechanism of State Nominated Agencies (SNAs).

For the State of Maharashtra, M/s Maharashtra State Mining Corporation Ltd. (MSMC) has been nominated by Govt. of Maharashtra. A quantity of 7.26 LTPA has been allocated to MSMC for 2016-17 & 2017-18. However, MSMC has signed FSA recently on 06.01.2017, for a partial quantity of 1.64 LTPA against the allocated quantity of 7.26 LTPA. In case of State Agency of Madhya Pradesh i.e. Madhya Pradesh Laghu Udyog Nigam (MPLUN), though FSA has been signed on 12.05.2016, the said SNA is not lifting coal from WCL since July' 2016.

As the consumers as per the enclosed list are required to eventually procure coal through SNA mechanism, which is yet to be fully operational in WCL, it has been decided to permit coal supplies to the consumers of enclosed list for the period January, February & March' 2017 or till the SNA mechanism gets fully operational, whichever is earlier.

Such supplies shall be purely on ad-hoc basis and not to be construed as extension of the tenure of the expired FSAs.

WCL reserves the right to withdraw or modify this facility anytime and any decision of WCL in respect of such supplies shall be final and binding to the consumers availing the same.

Respective consumers are requested to gear up for availing coal supplies through State Nominated Agencies at the earliest and in the interim, the willing consumers of the enclosed list may avail the supplies according to above.
