**विषय : Movement of Arrear rakes on ODR (FOIS) basis**

The Facility accorded to non power consumers who are not in position to move their rakes due to “COVID-19” and to keep their pending rakes under “Kept in Abeyance” category is going to be withdrawn by 1<sup>st</sup> of Feb’21 as communicated by Authorities of Central railway. As such no fresh rake will be placed under Kept in abeyance category hence forth. Movement of all the fresh rakes will be allowed as per Railway ODR (FOIS), however, if any rakes from Kept in abeyance category are to be moved will have priority over the fresh indents in ODR (FOIS).

In view of the above all the Non core sector consumers are advised to kindly deposit coal value immediately for movement of freshly allocated rakes. It is further advised to the consumers having arrear rakes pending in the ODR (FOIS) to liquidate these arrear rakes at the earliest. It may further be noted that from 1<sup>st</sup> Feb’21 onwards the rake placed by Railway if not materialized may get cancelled by Railway guidelines.
