Dear Sir,

Sub: Revision of Price applicable for plants procuring coal under Bridge Linkage/Extended Period of Bridge Linkage.

CIL Board in its 443rd meeting held on 15/06/2022 approved the following for supplies made under Bridge Linkage/Extension of Bridge Linkage to Power & Non Power consumers.

1. "40% flat Premium over and above notified price across all grades may be charged in all the cases of Bridge Linkage/Extension of Bridge Linkages both for power and non -power sectors.
2. This Premium is applicable for all existing as well as future cases of Bridge Linkages/Extension of Bridge Linkages.
3. This premium is applicable from the **01st June 2022.**"

In view of above, the differential amount arising due to revision of notified/mine specific notified price for supplies made under Bridge Linkage/Extension of Bridge Linkage from 01.06.2022 is recoverable.

Thus, it is requested to deposit the differential amount on account of the increase in the price with WCL, HQ.

Thanking you.

Yours faithfully,
