NGP/WCL/S&M/Oprn/ 3553 **NOTICE**

**Sub: Movement of sanctioned rakes under Non power FSAs  
(including CPPs)**

It is observed that many Non power FSA holders (including CPPs) are not submitting the advance payment before 48 Hrs. of placement of rake. We are notifying likely date of placement of rakes at various sidings from time to time. The seniority position etc is also well known to FSA holders in advance. In the absence of advance payment as stipulated under FSA or cancellation of rake higher in seniority, the rakes next in seniority are unable to be moved, thereby the willing consumers in need of coal and also making timely payment have to suffer delay.

To address the above situation it has been decided that henceforth if the advance payment is not submitted before placement of rake as per FSA requirement and such consumers also do not get their rake cancelled, then, WCL will go ahead with indenting and movement of rakes as per seniority against the available financial coverage.

The Bill amount alongwith applicable interest will be realized by invoking the BG towards Financial coverage. Further, in such event of invocation of FC, if the amount is not recouped, consequential action as per FSA may follow.
