### **NOTICE TO THE CUSTOMERS DRAWING COAL UNDER SPOT E-AUCTION**

In our ongoing efforts to ensure ease of business for our esteemed customers, steps are being taken to simplify the process involved in the release of coal against the quantity secured under spot e-Auction. We are in a process of accepting payment by a virtual coded beneficiary virtual account through which customers make payment and the virtual account shall be treated as the application for release of coal and no separate application would need to be submitted to WCL.

On a trial basis we are offering this facility starting from Spot e-Auction customers for the Auction scheduled on 23<sup>rd</sup> instant by Road and this would be extended to the other Auction schemes/Rail Mode in a phased manner.

The system of making payments against the successful bids for issue of delivery order by 'Road Mode' is enclosed as '**Annexure-1**'.

The customers are requested to go through the system of making payment carefully and cooperate with us for enabling us to provide smooth services. The payment procedure briefed in the Annexure is optional and is in addition to the existing mode of payment being remitted to the State Bank of India Account notified in the terms and conditions of spot e-Auction scheduled on 23<sup>rd</sup> instant.
