NOTICE FOR THE CSA CUSTOMERS

Sub: Customer-wise, source-wise allocation of coal for the month of Mar'2019 in the third/final round

In response to our Notice No.NGP/WCL/M&S/RS/567 dated 22.03.2019, 4 nos. of consumers had submitted their applications for allocation of coal for Mar'19 in the third/final round of allocation.

As informed earlier, in case of those consumers who could not be allocated the entire or part of applied quantity from the source(s) of their choice in the third round, the balance quantities will be allocated by WCL from the available sources as per the consumer's entitled grade. While processing the applications it had come to the notice that the allocation is required to be pro rated in Kamptee OC. To complete the allocation for Mar'19 the following logic has been considered in the order of preference:

- (i) To allot the entire quantity if the balance unallocated quantity is equal or less than a truck load. In this case, offer is also increased by an equal quantity so that the pro-rata allocation made to others is undisturbed.
- (ii) Allocation from Balance quantity in the colliery where customer had secured quantity in the previous rounds.
- (iii) Allocation of quantity from offer available from the entitled collieries.
- (iv) In case where there is quantity available in multiple entitled collieries, the colliery in an Area where customers had secured major quantity is considered for allocation of remaining applied quantity.

Accordingly, all these consumers have been allocated the entire applied quantity of 5670 tes.

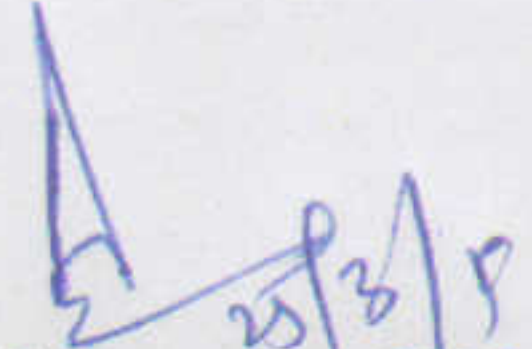

The customer-wise, source-wise, size/grade-wise allocations of coal finalised in this round is displayed herewith as **Statement 'A-3'**. The details of source-wise quantity offered, grade-wise, customer-wise quantity applied and quantity allocated along with the ratio applied for each customer for arriving at the allocation against the applied quantity are given in **Statement 'B-3'** displayed herewith. The Original details of source-wise quantity offered, grade-wise, customer-wise quantity applied and quantity allocated along with the ratio applied for each customer for arriving at the allocation against the applied quantity is given in **'Statement-B3A'**. The customer-wise, source-wise, size/grade-wise allocations made in Round No.1, 2 & 3 together is displayed herewith as **Statement 'D'**.

-::2::-

With this, the allocation of coal by road against the applications from the CSA holders for the month of Mar'2019 has been completed. The quantities not applied for by the customers against the MSQ for Mar'2019 shall be reckoned as DDQ under the CSAs.

As already informed, the last date for submission of payment against the allocations for the month of Mar'19 shall be 29.03.19. The consumers are urged to make payments only through RTGS/NEFT.
