NOTICE FOR THE SUCCESSFUL BIDDERS IN THE EVENTS CONDUCTED UNDER VARIOUS SPOT E-AUCTION AND EXCLUSIVE E-AUCTION

Kind attention of the successful bidders in the events of spot e-Auction and Exclusive e-Auction conducted against which release of coal and lifting of coal is still due on or after 01.04.2018 in respect of the successful bids, is invited to the Annual Grade Declaration of coal applicable for the year 2018-19 issued under the cover of our Notice No. WCL/HQ/GM(QC)/9338 dated 31.3.2018.

The grades of coal notified for the year 2018-19 for many of the sources are at variance to the grade of coal as per the bids successfully secured by the bidders in the events of Spot e-Auction and Exclusive e-auction. As the grades as per Grade Declaration dated 31.03.2018 shall be applicable for the despatches w.e.f 01.04.2018, the following modalities are hereby notified for the successful bidders in the events conducted under spot e-Auction Schemes and Exclusive e-auction:

(i) In case of payment of coal value against the successful bids falling due on or after 01.04.2018, the bidders need not deposit the payment with WCL and in such cases EMD shall be refunded.

(ii) In such cases of sources where the grade declared for the year 2018-19 is different from the bid grade:

(a) No fresh D.Os shall be issued against the successful bids and the amount towards coal value deposited for issue of D.Os shall be refunded along with the corresponding amount of EMD

However, the bidders seeking to lift lower grade of coal (as applicable as per the grade declaration for the year 2018-19) against the successful bids at the same bid price, may submit the written option to WCL. In that case, the D.Os against the payments already submitted shall be issued for the revised grade(s) and by charging the same bid price at which the concerned bids were secured in the auction.

(b) In case of running Delivery Orders, whose lifting falls on or after 01.04.18, no supply shall be made where the Declared grade as on 01.04.18 is higher than the bid grade and in such case the coal value alongwith EMD shall be refunded.

However, the bidders seeking to lift lower grade of coal (as applicable as per the grade declaration for the year 2018-19) against the successful bids at the same bid price, may submit the written option to WCL.

::2::

The option letter for release/lifting lower grade of coal at the bid price as per the respective successful bid shall have to be submitted in reference to this notice and it should be under the signature of the authorised person of the bidder whose signature is authenticated in the photo identity cards issued by the Service Providers (i.e, M/s mjunction services Ltd or M/s MSTC Ltd as the case may be). This option once exercised shall be final and cannot be reversed: the bid price at which the respective bid was secured by the bidders shall be applicable for the despatches from 00:00 hrs of 01.04.18 also and the bidders shall have no right for claiming any refund of the bid price against the quantity lifted.

The above procedure shall be applicable in respect coal secured by the bidders through Rail mode also under spot e-Auction Scheme and Exclusive e-auction.

All other terms and conditions shall be applicable as per the terms and conditions of the scheme and the modalities notified from time to time.
