As per the decision of 248th CIL CFDs meeting held on 13.01.2021 was communicated to coal companies regarding Exclusive auction be conducted by coal companies with lifting period for six months of more and in similar line with SFEA. The offer under Exclusive auction by each coal company shall be made available before the closure of the lifting period of the previous auction and ensure that offers are available for lifting in every month without break.

Further, in the 418th CIL Board held on 11.02.2021 decided after deliberations, agreed to the recommendation of CFD for discontinuation of coal supply at notified price to expired erstwhile FSAs of pre-NRS linkage auction regime.

The above decision of CIL Board supersedes the earlier guidelines in this regard and advised coal companies to comply with the above decision of the CIL Board with immediate effect along with due notification.

It is pertinent to mention here that as per the NRS Linkage auction policy guideline, the existing FSAs (pre NRS Linkage auction regime) with CPSEs/Govt plants will continue to be renewed on expiry.

It is also advised coal companies to conduct Exclusive e-auctions of lifting validity of 6 months or more, as decided in the 248th CIL CFD meeting to ensure uninterrupted availability of coal to the Non regulated sector consumers.
