NOTICE

Sub: Continuation of offer of additional coal supply to IPP/Gencos having FSA with subsidiary of CIL for February'18

This is in reference to letter No. CIL:47252:NewPol:323 dtd. 28.04.2017 issued by GM(S&M), CIL and CCL's Notice No. CCL/HQ/C-4/RS/4799-4808 dtd. 03.05.2017 regarding the above mentioned subject. In this regard, all IPP/Gencos having FSA with other subsidiaries of CIL are hereby informed that CCL is offering coal from sources having high stock through Road/ RCR mode. Such additional supplies would be added with the supply from the original sources to work out the level of delivery against the FSA. Power plants are required to submit affidavit to both CCL and the subsidiary where original FSA exists that the power generated out of such additional dispatches shall be supplied under long term PPA through DISCOMs. List of probable sources offered under the scheme along with the quantity is as under:-

| Area | Open Cast Colliery | Grade/GCV | Quantity Offered (tonnes) |
|-----------------|---------------------------------|----------------|---------------------------|
| Magadh-Amrapali | Magadh OC Heap No. 9 | G-12 | 2,00,000 |
| | Amrapali OC Heap No. 9/13 | G-12 | 3,00,000 |
| | Amrapali OC Heap No. 7/12/1A/1B | G-12/(-100 mm) | 3,00,000 |
| Kuju | Sarubera OC Heap No. 11 | W-IV | 1,00,000 |
| | Karma OC Heap No. 4 | G-7 | 50,000 |
| Hazaribagh | Jharkhand OC Heap No. 15E | W-IV | 70,000 |
| Barka Sayal | Birsa OC Heap No. 5 | G-8 | 30,000 |
| B&K | Giridih Heap No. 1 | G-9 | 50,000 |
| Total | | | 11,00,000 |

Hence, willing power plants are requested to submit their requirement of coal to this office at the earliest. Allocation of coal to such consumers would be issued on the basis of availability of grade & quantity of coal at desired sources at the time of allocation. This facility is extended for year 2017-18.

Further, powerhouses having FSAs with CCL may also apply for supply of coal from above mentioned sources, if required by them. First preference for allocation of coal would be given to such powerhouses.
