NOTICE

Sub : Acceptance of rail programme without advance coal value for non power FSA consumers, having value paid order, for the month of October 2017

In view of large number of arrear rakes on account of Non power FSA consumers, it has been considered to extend a temporary dispensation for acceptance of Rail programme for such Non Power FSA consumers without advance coal value for the month of October'2017, provided that the Financial Coverage is maintained by the consumer, under 'ease of doing business'.

Coal companies shall, however, ensure that the movement / loading of rakes shall only be made against advance payment.

The above dispensation shall be applicable uniformly to all coal companies wherever such backlog in supply is prevailing.

This issues with the approval of the competent authority.
