NOTICE

Sub : Dispensation in the deposition of advance coal value for order booking under special forward and exclusive e-auction.

In view of large number of pending rakes, all rail bound consumers who have booked their orders under Special Forward and Exclusive E-Auction are allowed for order booking without advance payment for the month of October'2017 as it was extended to all non- power FSA consumers, provided that the financial coverage is maintained by the consumer. Such dispensation is being extended under "ease of doing business initiative" to alleviate the grievances.

Coal Companies shall however, ensure that the movement / loading of rakes shall only be made against advance payment.

The above temporary dispensation shall be applicable to all Coal Companies wherever such backlog in supply is prevailing.
