WCL/NGP/MMW/Ancillary/2015 / 1800

Date 21-11-2015

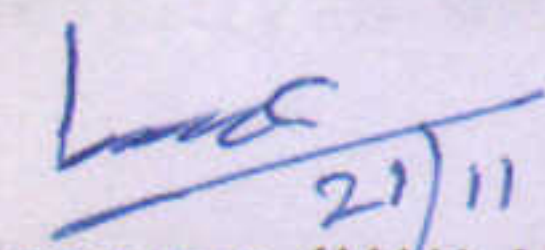

## NOTICE

WCL has taken a decision for revival of old Ancillary Units customized to our present requirement and also development of new Ancillaries for the ancillarised items. The details of items have been indicated. The list is indicative and not exhaustive and further items may be added / deleted as per the decision of WCL management.

The modus-operandi for application by the interested previous ancillary units valid as on 01.04.2011 & new local manufacturers within the vicinity of WCL Command Areas, evaluation of their proposal and final approval of Ancillary status is available on WCL website.

Interested Ancillary units whose ancillary status was valid as on 01.04.2011 and who are willing to continue as Ancillary with WCL and fulfills the criteria, may submit their above referred details to the Chief Manager (MM)/ Nodal Officer (Ancillary), Western Coalfields Limited, 1<sup>st</sup> Floor, Coal Estate, Civil Lines, Nagpur - 440 001 (MS) within 15 days from the date of receipt of this Notice. New Local Manufacturer may apply for development of their unit as per the details available on WCL website. Form-I and Form-II are also uploaded for submission of application.

The details can also be submitted through e-mail at: [bsnagashetti@westerncoal.gov.in](mailto:bsnagashetti@westerncoal.gov.in) or [asnagarkar@westerncoal.gov.in](mailto:asnagarkar@westerncoal.gov.in).

## REVIVAL OF OLD ANCILLARY UNITS & DEVELOPMENT OF NEW ANCILLARY UNITS AT WCL

WCL has taken a decision for revival of old Ancillary Units customized to our present requirement and also development of new Ancillaries for the ancillarised items. The list is indicative and not exhaustive and further items may be added / deleted as per the decision of WCL management.

Fresh application by the interested previous ancillary units valid as on 01.04.2011 & new local manufacturers within the vicinity of WCL Command Areas, can submit their application for award of ancillary status for supply of items as per the enclosed list.

The salient features and the modus-operandi of the ancillary policy is as below:

- 1) List of items for which new ancillary status shall be awarded is enclosed as enclosure to revive old Ancillaries and development of new ancillaries.
- 2) Validity of the ancillary status is for 5 years from the date of its award.
- 3) The award of ancillary status shall be decided by a New Plant Level Committee consisting of the following:-

### From WCL

Director (Technical) P&P, WCL , -- **Chairman of PLC**  
General Manager (Fin) HoD, General Manager (MM)HOD,  
General Manager (Excv) HOD, General Manager (E&M) HOD,  
General Manager (S&C) HOD,

### From MSME and Local Industries

Director, MSME, Civil Lines, Nagpur  
President/Secretary, MIDC Industrial Association, Hingna  
President/Secretary, Young Industrialist Association, Nagpur  
President/Secretary, MIDC Industries Association, Chandrapur  
President/Secretary, Vidarbha Chamber of SSI,  
President/Secretary Darda Industrial Estate, Yavatmal

4. In case any MSE /Ancillary Unit is not lowest, they shall be considered for purchase preferences when they comply the following :
  - i. Offer of MSE/Ancillary is techno-commercially acceptable.
  - ii. The quoted price of MSE/Ancillary should be within L1+15%
  - iii. MSE/Ancillary firm will have to match the accepted L-1 landed price.
5. Order will be limited to their offered/quoted capacity
6. In case MSE/Ancillary Units are not matching L-1 landed price or having capacity constraint such quantity shall be considered for placement of order on available MSE/Ancillary or lowest bidder depending upon the case.
7. Application received from old ancillary units for revival and new firms for award of ancillary status shall be scrutinized by WCL and put up to PLC for recommendations. The Ancillary Status to eligible firms shall be awarded after formal approval.

... 2 ...

The benefits available to the Ancillary Units are as under :

Sl No.	Items	As per Policy
a.	Tender Fee (Wherever Applicable)	Exempted for Ancillaries for the items for which the firm is given ancillary status. Exemption to MSE firms for the items for which they are registered as a MSE as per MSE policy 2012
b.	Earnest Money	Exempted for Ancillaries for the items for which the firm is given ancillary status. Exemption to MSE firms for the items for which they are registered as a MSE as per MSE policy 2012
c.	Distribution of Ordered Quantity among Ancillary, MSE & L-1 Bidder	
	Situation	Distribution
I.	Where L-1 is MSE and there is no other MSE or Ancillary unit eligible for placement of order	100% to L-1 MSE Unit (50% for L-1 + 20% for MSE and 30% for being Ancillary).
II.	Where L-1 is MSE, and one Ancillary unit is eligible and no other eligible MSEs.	70% to L-1 MSE Unit (50% for being L-1 + 20% for being MSE) 30% to Ancillary unit at L1 rate
III.	Where L-1 is MSE, and more than 1 Ancillary unit is eligible and no other eligible MSE.	<p><b><u>(Case of 2 ancillary participating)</u></b></p> <ul style="list-style-type: none"> <li>- 70% to L-1 firm (50% for being L1 + 20% for being MSE)</li> <li>- 18% to 1st Ancillary at L1 rate (60% x 30% = 18% for being lowest ancillary)</li> <li>- 12% to 2nd Ancillary at L1 rate (40% x 30% = 12% for being 2<sup>nd</sup> ancillary)</li> </ul> <p><b><u>(Case of 3 ancillary participating)</u></b></p> <ul style="list-style-type: none"> <li>- 70% to L-1 firm (50% for being L1 + 20% for being MSE)</li> <li>- 15% to 1st Ancillary at L1 rate (50% x 30% = 15% for being ancillary)</li> <li>- 9% to 2nd Ancillary at L1 rate (30% x 30% = 9% for being</li> </ul>

		<p>ancillary)</p> <p>- 6% to 3rd Ancillary at L1 rate (20% x 30% = 6% for being ancillary)</p> <p><b><u>(Case of 4 ancillary participating)</u></b></p> <p>- 70% to L-1 firm (50% for being L1 + 20% for being MSE)</p> <p>-12% to 1st Ancillary at L1 rate (40% x 30% = 12% for being ancillary)</p> <p>-9% to 2nd Ancillary at L1 rate (30% x 30% = 9% for being ancillary)</p> <p>-6% to 3rd Ancillary at L1 rate (20% of 30% = 6% for being ancillary)</p> <p>-3% to 4th Ancillary at L1 rate (10% of 30% = 3% for being ancillary)</p>
IV.	Ancillary is L-1 and there is another eligible Ancillary unit participated in the tender. No other Ancillary unit or MSE is eligible for order:	<p><b>2 Ancillary Units</b></p> <p>Total 78% to L1 firm (50% for being L-1firm + 10% for being MSE and 18% for being L1 Ancillary). 22% to other eligible Ancillary unit at L1 rate(10% being ancillary and 12% being second eligible ancillary..</p>
V.	L-1 is Ancillary unit and there are more than one ancillary units eligible for order. No MSE has quoted or eligible for order.	<p><b>3 Ancillary Units :</b></p> <p>72% to L-1 Ancillary (50% for being L1 + 15% for being L1 ancillary + 7% for MSE)</p> <p>16% to 2nd Ancillary at L1 rate (9% for being ancillary + 7% for being MSE)</p> <p>12% to 3rd Ancillary at L1 rate (6% for being ancillary + 6% for being MSE)</p> <p><b>4 Ancillary Units :</b></p> <p>67% to L-1 Ancillary (50% for being L1 + 12% for being L1 ancillary + 5% for MSE)</p> <p>14% to 2nd Ancillary at L1 rate (9% for being ancillary + 5% for MSE)</p> <p>11% to 3rd Ancillary at L1 rate (6% for being ancillary + 5% for MSE)</p> <p>8% to 3rd Ancillary at L1 rate (3% for being ancillary + 5% for MSE)</p>

VI.	L-1 is Non-MSE. One Ancillary unit is eligible for order. No MSE is eligible for order.	<p><b>(Case of 1 ancillary participating)</b>  Non MSE L-1 firm - 50%  Ancillary 50% at L1 rate (30% for being ancillary + 20% for being MSE)</p>
VII.	L-1 is Non-MSE, more than one Ancillary Units are eligible for order. No MSE is eligible for order.	<p><b>(Case of 2 ancillary participating)</b>  L-1 50%  28% to 1<sup>st</sup> Ancillary at L1 rate (18% for being ancillary + 10% for being MSE)  22% to 2<sup>nd</sup> Ancillary at L1 rate (12% for being ancillary + 10% for being MSE)</p> <p><b>(Case of 3 ancillary participating)</b>  L-1 50%  22% to 1st Ancillary at L1 rate (15% for being ancillary + 7% for being MSE)  16% to 2nd Ancillary at L1 rate (9% for being ancillary + 7% for being MSE)  12% to 3rd Ancillary at L1 rate (6% for being ancillary + 6% for being MSE)</p> <p><b>(Case of 4 ancillary participating)</b>  L-1 50%  17% to 1st Ancillary at L1 rate (12% for being ancillary + 5% for being MSE)  14% to 2nd Ancillary at L1 rate (9% for being ancillary + 5% for being MSE)  11% to 3rd Ancillary at L1 rate (6% for being ancillary + 5% for being MSE)  8% to 4th Ancillary at L1 rate (3% for being ancillary + 5% for being MSE)</p>
VIII.	L-1 is Non-MSE, and there is no Ancillary Unit, but MSEs are eligible participant.	80% to L-1 (50% for L-1 + 30% for Ancillary) 20% to eligible MSE at L1 rate (in case of one MSE) In case of more than one eligible MSE, the 20% quantity at L1 rate shall be equally distributed among eligible MSEs.
IX.	Where L-1 is MSE, and there are no other MSEs & Ancillaries available	100% to MSE

x.	Where L-1 is Non MSE and 1 MSE (General) and another MSE owned by SC/ST entrepreneur is eligible	80% to L-1 Non MSE 12% to MSE owned by SC/ST (8% for being MSE and 4% for being SC ST) at L1 rate 08% to MSE (General) at L1 rate.
xi.	If L-1 is a Non-MSE, and there are general MSEs and MSEs owned by SC & ST (who quoted price within price band of L-1 +15% available for that item.)	Depending upon the number of MSEs quoting price within the price band a minimum of 4% shall be ensured for SC or ST owned MSEs.  Example : If L-1 is a Non MSE, and 2 general MSEs & 01 SC or ST owned MSE is quoting price within the price band of L1 + 15%, 16% of the tendered quantity will be shared i.e. 6%+5%+5% at L1 price. In this case, SC or ST owned MSE shall get 4% over and above 6% i.e. a total of 10%. Remaining 5% each to GEN MSE. When the participating MSEs increase the % distribution amongst MSEs will decrease but a minimum of 4% shall be ensured for SC or ST owned MSEs.
xii.	If L-1 is MSE and MSE owned by SC & ST participants	88% to L1 MSE (80% for being L-1firm + 8% for being MSE). 12% at L1 rate to general SC/ST MSE (8% being MSE firm and 4% being MSE owned by SC/ST )
xiii.	If L1 is MSE owned by SC/ST and other MSE also participated.	92% to L1 SC/ST owned MSE (80% for being L-1firm + 8% for being MSE and 4 % for MSE owned by SC/ST). 8% at L1 rate to general MSE (8% for MSE )

**APPLICATION FORM**

(For old Ancillary Firms)

We, M/s \_\_\_\_\_, was awarded Ancillary status by WCL in the past for supply of -----, ----- items. Our ancillary status was valid up to ----- . As per MSE policy 2012, we are falling under the category of Micro/ Small Enterprise, which is situated at \_\_\_\_\_ Kms from WCL-----Area/HQ, in the District of \_\_\_\_\_, which is near \_\_\_\_\_ Area of WCL. We are interested in registering our unit as Ancillary Unit to WCL for the following items :

- 1)
- 2)
- 3)
- 4)

We are submitting the detailed information as per the format for consideration please.

- 1) Name and current address of Factory/manufacturing unit.
- 2) Name of the contact person and his/her contact no and mobile no.
- 3) Corporate Mail id.
- 3) CST/VAT or TIN No. & CEC Registration Certificate, if applicable.
- 4) Sales turnover during the previous three 3 financial years ; 2012-13; 2013-14; & 2014-15 duly certified by Chartered Accountant. A separate statement duly certified by the Chartered Account in respect of Sales turnover for the WCL Ancillarised items also to be submitted.
- 5) Registration certificate with DIC, NSIC, or any other body specified by Ministry of Micro, Small and Medium Enterprises.

- 6) Electricity bill for the financial year; 2012-13; 2013-14; & 2014-15 (only two bills of each year with lowest and highest electricity bill paid)
- 7) List of machineries and capital equipment in their works as on 31-12-2015 duly certified by Chartered Accountant. List of machineries available for manufacturing of the Ancillarised items for WCL duly certified by Chartered Accountant, should be submitted separately.
- 8) Statement of Manpower as on 31-03-2015 under technical and non technical head with annual salary paid during the Financial Year 2014-15, duly certified by Chartered Accountant.

Note : 1) The requisite documents confirming to the above should be submitted duly notarized by Notary, for consideration.

- 2) Letter for submission of requisite information/documents for revival of old Ancillary units has been sent through post. In case any of the old Ancillaries not received the same they can download this format for submission of requisite information/documents

## LIST OF ITEMS FOR DEVELOPMENT OF ANCILLARIES IN WCL

SI No.	Item Description
1	Belt Fastening Hooks,
2	Cold Rolled Threaded Roof Bolt Dome plate, Bearing plate, Dome washer , Job work for Cold Rolled Threading of Roof Bolt, Roof Bolt accessories such as Dommed Plate, Dommed Washer, Conical Seat and Bearing Plate as per DGMS requirement.
3	Conveyor idlers & Rollers for and up to belt speed of 2.3 m/sec
4	Structures for conveyors (withoug drive head, tail unit & Rollers)
5	Face Pump/Screw & Centrifugal Type along with spares, Spares for pumps, Rubber Mouldings
6	Hose assemblies for HEMM and UG Equip. application (Low, Med. & High Pressure) As per BIS/NCB specification
7	M.S. Welding Electrodes
8	PVC/XLPE Cables of various sizes
9	Structures for CHP such as Bracket, Stool, Runner, Conveyor Rollers, Conveyor Drum (Maximum width 1250 mm, maximum drum dia upto 630 mm and maximum shaft dia upto 100 mm), Conveyor Fencing and Job work of these items.
10	Super enameled Copper Wire
11	Wheel and axle
12	ALL Aluminium Conductors (AAC) and Alluminium Conductors Steel Reinforcement (ACSR) of all sizes
13	Spares for M&P Pump type APVB, PLURO II, PLURO III, M&P 100 x 150 IBP, 150 x 200 IBP, 6/8 GME : Rotating Element, Impeller, Shaft, Bush Sleeve ^ Gland.
14	Kirloskar Pump Spares - DSM-3, DSM-5, MLA-5, RKB, DSM6-Rotating Element, Impeller, Shaft, Bush Sleeve ^ Gland
15	Ingersoll Rand Feeder Crusher , Chain, Flight Bar assembly , sprocket, Model SCH 100 x SCH200
16	Conveyor Pan, Output Shaft assy. Input Shaft assy, Shaft Bevel Gear, Bevel Pinion, Flight assy, Sprocket
17	LED Lights & Light Fittings
18	Spares for Eimco Elecon make SDL, model No. 625/611 :Gear pinion shafting, Bushing Pin, Sprocket, Cradle Assembly, Idler Gear Assembly.
19	Repair of LT Motors, HT motors up to 3.3KV, 450 KW
20	Repair & Rewinding of Transformers up to 2.5 MVA and Generators up to 3000 KVA
21	Chain Assembly for Feeder Breaker, Flight bars for feeder breaker, Track Parts for LHD/SDL including chain assembly, rollers & idlers.
22	Repair and Salvaging of Transmission components of Dozer and Dumper by using Inert Gas Plasma Spray Technologies.
23	Cut Repair of OTR Tyres size 18.00 x 25, 21.00x35, 24.00x35, 35/65-33, 29.5x29
24	Repairing of Hoist Cylinders, Steering Cylinders, Front & Rear Suspension of 50/60T BEML/CAT Dumpers,
25	Repairing of Radiators of HEMM Equipments
26	Audio Visual Alarms for HEMM
27	Mechanical Cables, Control Cables, Modulator Valves, Linkages products & Control Levers
28	Pin, Bushes, Washer, Spacer for PC-650, CK-300, BE-1000, BE-1000-1 & EX-1200 Hydraulic Excavators
29	Pin Bushes, Washers Spacer and Bronze bushes for EKG 4.6/5 Shovels
30	Seal Kit for Hydraulic Applications in HEMM
31	Pinion for Crowd Motor, Pins & Shafts for EKG 4.6/5 Shovels

32	<u>Electrical Coils</u> Armature/Stator/Main Pole/ Inter Pole Coils :
33	<u>HEMM Repairing &amp; Rewinding of Motors</u> 1) AC Motor 6.6 KV - Up to 2250 KW 2) DC Motor - Up to 1120 KW 3) Generators - Up to 2500 KW 4) Transformers (6.6KV) - Up to 600 KVA
34	<u>Repairing &amp; Rewinding of EKG Shovel/Drill :</u> i) Hoist/Crowd/S Generator (BHEL/KEC) From 42 to 200 KW ii) Exciter generator (BHEL/KEC) - 12/15 KW iii) Hoist/Crowd/Swing/Propel Motor (BHEL/KEC) - 54 to 200 KW iv) Main Motor (BHEL/KEC/NGEF/SIEMENS) - 250 to 400 KW
35	<u>Repairing &amp; Rewinding 20/90 Dragline :</u> i) Hoist/Drag/Swing Generator (USSE/BHEL) - 950 to 2500 KW ii) Hoist/Drag/Swing /Walk Motor (USSR) 210 to 1120 KW iii) Main Sy. Motor (USSR) - 2000/2250 KW
36	<u>Repairing &amp; Rewinding 24/96 Dragline :</u> i) Hoist/Drag/Swing Generator (GE/BHEL) - 506 to 1045 KW ii) Hoist/Drag/Swing /Walk Motor (GE/BHEL) 480 to 970 KW iii) Main Sy. Motor (GE/BHEL) - 1310 KW iv) Exciter (GE/BHEL) - 65/66 KW
37	All types of Book Binding
38	All types of Computer Sheets
39	All types of Printing
40	Ammonium Nitrate
41	Computer Stationary
42	General Stationary
43	Industrial Oxygen Gas & DA Gas
44	Offset Printing Jobs
45	Other printed materials
46	Pre-printed EZR and Blank Computer Stationary
47	RCC Hume Pipes ISI mark, NP2, NP3, NP4 class from 250 mm dia to 1200 mm dia upto 2.5 mtr long.
48	Cement Capsules & Resin Capsules
49	Testing, Refilling and Repair of AB, ABC, CO2 and Foam type fire extinguishers
50	Strata Monitoring Instruments such as tell tail, convergence indicator instrument, rock bolt & its accessories
51	W" Strap and job work of "W" Strap as per DGMS requirement
