Procedure for Selling of Overburden through e-auction by M/s. I-Sourcing Technologies Pvt. Ltd. for WCL, Nagpur Area

Introduction: Western Coalfields Limited (WCL) is one of the eight Subsidiary Companies of Coal India Limited (CIL) which is under administrative control of Ministry of Coal. The Company incorporated under the Companies Act, 1956 has its registered office at Coal Estate, Civil Lines, and Nagpur – 440001. WCL has been conferred "Miniratna" status on 15th March' 2007. It has mining operation spread over the states of Maharashtra (in Nagpur, Chandrapur & Yeotmal Districts) and Madhya Pradesh (in Betul and Chhindawara Districts).

Opencast mining is developmental activity for removal of overburden (OB) spread over in situ coal seam for extraction of coal. The overburden thus removed is dumped on an external surface and the fragmented rock is heaped in the form of overburden dumps till sufficient space is created for internal back filling. This requires acquisition of land adjoining/nearby coal bearing area. Further this overburden dumps need to be re-handled at the time of closure of mine for land reclamation. Even after internal backfilling huge amount of overburden remains on external surface due to swelling factor. This overburden may be sold in the market at a fair value to prospective consumers to use as a raw material for extraction of sand, pebbles and clay, material for filling roads, other civil construction use, etc. This scheme is initially applicable to the Bhanegaon OC Mine for overburden with rich content of sand.

Purpose of Forward e-auction of OB from Bhanegaon OCM

The purpose of Forward e-Auction is to get fair value of overburden through competitive bidding by providing equal opportunity to all intending Buyer(s)/consumers to purchase OB through single window service. The Forward e-auction is to facilitate wide ranging access across the country to book OB on-line for all prospective OB Buyer(s)/consumers enabling them to buy OB through a simple, transparent and consumer friendly system of marketing and distribution of OB. The prospective Buyer(s)/consumers shall be allowed to process the OB further to produce required quality sand, gravel, clay etc. as per their discretion.

The Overburden (rich in sand content) from Bhanegaon OCM, Nagpur Area will be offered for sale at a floor price Rs 207/- per cum (excluding Loading, Transportation, Royalty, GST and other applicable taxes, if any). Considering the availability of huge quantum of OB in Bhanegaon OCM, it is proposed to sell the bulk quantity to the

successful Buyer(s) for minimum period of 5 (Five) years with long term agreement through Forward e-Auction route.

- 1. Objective:** The forward e-auction scheme is aimed to sale an earmarked quantity of OB (rich in sand content) available at Bhanegaon OCM dump to the prospective OB Buyer(s).

The purpose of forward e-auction is to get fair value of overburden through competitive bidding by providing equal opportunity to all intending Buyer(s) to purchase OB through single window service.

- 2. Eligibility:** Any Indian Buyer(s) (viz. individual, partnership firm, companies etc.) can participate in e-auction for procurement of OB.

- 3. Methodology of offer and sale of OB in e-auction:** The Mine/concerned Area shall earmark the OB dump (rich in sand content) after ensuring the percentage of sand in the OB to be offered for sale in bulk quantity (not less than 15.0 Lakh cum) with due approval of AGM of concerned Area. The Concerned Area of WCL will appoint service provider for conducting e-auction and shall inform to the Service Provider well in advance for conducting the e-auction by hoisting on the website of the Service Provider. This may be paid upfront by way of e-transfer.
2. The Service Provider shall thereafter maintain accounting of transactions of Earnest Money of individual registered Bidder through "e-ledger" & shall furnish statement of transactions of Earnest Money of each registered Buyer(s) to WCL for information. The Service Provider will be required to maintain on line e-ledger for all the registered OB Buyer(s) which will update itself regularly with the deposition of Earnest Money by the prospective OB Buyer(s) in the nominated Banks for the purpose.

3. Similarly, Earnest Money account shall be updated/ adjusted during Bidding/completion of Bidding for the successful OB Buyer(s) as well as refunds made to the depositors by the Service Providers based on OB Buyers' application. The transfer of Earnest Money to WCL for the successful Bids shall be made soon on completion of bidding process on the same day or till next working day.
4. During the participation in e-auction, the system will ensure that the prospective Buyer(s) can bid OB quantity only up to the amount of Earnest Money available in his account. In no case the bid quantity of the Buyer(s) will exceed the Earnest Money amount available in the Buyer(s) account at any point of time.
5. In the event the Buyer(s) becomes successful in the auction, the required Earnest Money amount corresponding to the successful Bid quantity shall be transferred by the Service Provider to the WCL. The Service Provider will also be required to generate a "Money Receipt" for each successful Buyer(s) indicating the amount so transacted from his Earnest Money account towards a particular transaction.
6. In the absence of any application from a particular Buyer(s) for refund of his Earnest Money corresponding to the unsuccessful Bid quantity, the unutilized Earnest Money of prospective Buyer(s), shall be credited back to the Earnest Money account of that prospective Buyer(s) soon after the completion of auction and reflected accordingly in the e-ledger maintained by the Service Provider accessible to the Buyer(s) on-line as well as through a front office of the Service Provider.
7. Based on application for refund of Earnest Money from unsuccessful Buyer(s), the corresponding Earnest Money blocked for a particular transaction in an auction shall be arranged to be refunded by the Service Provider directly to the concerned registered unsuccessful Buyer(s), within 3 (three) working days from receipt of such application (either on- line or in person through front-offices, as may be preferred by the unsuccessful Buyer(s)).

6. Methodology

1. The e-auction for OB Buyer(s) shall be conducted for a contract period of 5 (five) Years (60 months).

2. The Buyer(s) shall be required to bid for a minimum quantity of 5 (five) lakh cubic meter. However, the Buyer(s) can bid from minimum bid quantity upto entire lot of OB offered (i.e.15 lakh cubic meter) in the e-auction based on corresponding amount deposition as Earnest Money with Service Provider.
3. The program for e-auction of OB will be notified minimum 21 days in advance from the date of commencement on WCL's website. The program shall be intimated to the respective service provider for hoisting the same at their website also for information of all interested Buyer(s).
4. The service provider shall conduct the e-auction of OB as per the program notified by WCL.
5. The date, time and period of the e-auction as notified in advance including closing time on portal of service provider shall be adhered except in force majeure situations. However, the closing time of the auction will be automatically extended up to last bid time, plus 5 minutes, so that opportunity is given to other Buyer(s) for making an improved bid on that item.
6. Before participating in the auction, prospective Buyer(s) must satisfy themselves beforehand with the quality of OB being offered from a source.
7. Prospective Buyer(s) are entitled to bid from minimum quantity to entire lot of OB to the extent of amount of Earnest Money which is available with the service provider in the business account at the time of bidding. The Prospective Buyer(s) has to bid for a price equal to or above the reserve price so as to secure consideration in Forward e-auction.
8. The Prospective Buyer(s) while Bidding shall give their "Bid Price" in Indian Rupee per Cubic meter as base OB price, exclusive of other add-ons like statutory levies, taxes, cess such as royalty, District Mineral Foundation (DMF) Fund, National Mineral Exploration Trust (NMET) Fund, transit book cost, Goods and Services Tax (GST) & any other charges as applicable at the time of delivery etc. which shall be paid by the Buyer(s) in addition to Bid Price as applicable at the time of delivery.

9. The Prospective Buyer(s) shall offer his Bid Price (per cubic meter) in the increment of Rs. 2/- (two rupees) during the normal e-auction period. During the extended period of first two (2) hours, the Prospective Buyer(s) shall offer his Bid Price in the increment of Rs.5/- (five rupees). Beyond this extended period of two hours the Bid price increment would be Rs.10/- (ten rupees).

10. Following criteria would be adopted in deciding the successful Buyer(s):

1. Precedence will be accorded to the highest bid price in the descending order H1, H2, H3 as long as the offered quantity is available for allocation.
 2. If two or more Buyer(s) bid the same highest price, precedence for allotment will be accorded to the Buyer(s) who has placed the bid for the higher quantity.
 3. In case two or more Buyer(s) bid the same price and the same quantity, precedence will be given to the Buyer(s) who has accorded his bid first with preference to time.
11. While maintaining secrecy of Buyer(s) identity, the website shall register and display on screen the lowest successful bid price at that point of time. The system will not allow a Buyer(s) to bid in excess of his entitled quantity as per his Earnest Money. However once a Buyer(s) is out-bid by another in part or full that particular Buyer(s) shall become eligible for making an improved bid.
12. The successful Bidder will be intimated through e-mail / SMS by the Service Provider on the same date after the closure of e-auction. This will be taken as notification of award. However, it will be the responsibility of the Buyer(s) to personally see and download the result displayed on website, on the same date after close of e-auction.
13. The successful Buyer(s) shall be required to deposit in advance non-interest bearing **Security Deposit** with Concerned Area, WCL equivalent to 5% of the allocated quantity in terms of basic price of OB exclusive of taxes, duties and other charges as applicable and should be submitted within 21 days from the date of notification of award as per **Clause No.7**.

14. The Earnest Money deposited shall be returned to the Buyer(s) after submission of **Security Deposit**. The Earnest Money deposited may be adjusted against the security deposit at bidder's option.
15. The Agreement will be executed between the WCL and the successful Buyer(s) within 28 days following notification of award and after submission of Security Deposit by the Buyer(s) as per **Clause No.8**.
16. The Quarterly Scheduled Quantity (QSQ) (in cum) will be prepared by dividing allotted/awarded OB with the corresponding amount of quarters (20 quarters in 05 years). However, the quantity of QSQ may be finalised with the mutual consent of concerned Area of WCL & Buyer(s).
17. The complete OB value is to be deposited in advance by the successful Buyer(s) that shall be computed and deposited on quarter-to-quarter basis against the quarterly schedule quantity (QSQ) by Buyer in account of the concerned Area of WCL.
18. The Security Deposited amount shall not be treated as an adjustment towards the OB value and shall kept with WCL till completion of the contract. However, the Security Deposit shall be adjusted in the last quarter (i.e. last quarter of 5th year) subject to no default in lifting against previous Delivery Order(s). However, in the event of default in performance by the bidder, the provision of forfeiture of the "Security Deposit" as stipulated in Terms & Conditions for supply of OB shall be applicable.

7. Security Deposit (SD):
