सूचना / NOTICE

विषय/ Sub: Exercising option for 'opt out' from taking supplies in the changed grade by the customers of Single Window Mode Agnostic E-Auction Scheme

The Notification of Annual Coal Grade Declaration for the year 2024-25 in WCL has been published for the information of our customers vide Notice No. WCL/Headquarters/Quality Control/AGD24-25/2381 dated 31.3.2024. In accordance with this notification, there are changes in declared grade of coal at some mines.

The customers are already aware that as per Clause No. 5.5 of the terms of Single Window Mode Agnostic E-Auction Scheme, the customers can opt out from taking coal in the changed grade by submitting application within 5 days of such notification. The above said notification for annual coal grade declaration was made on 31.3.2024 and as such, the application for opt out from taking supplies in the changed grade has to be made to the concerned Area Office of WCL, on or before 05.04.2024.

It is further clarified that the Area may continue to deliver coal against the running sale orders at the pre revised grade (i.e., at the bid grade of coal) from the stock of the previously notified grade and the customers are bound to accept such coal. In case of the failure of the customers to lift the coal offered for lifting at previously notified grade (i.e the bid grade), the bid security will be forfeited as per the provisions of the scheme.

In case the customers are not willing to lift the coal at the changed grade of coal as per Annual Coal Declaration for the year 2024-25 notified on 31.03.2024, it should be made sure that the application for 'opt out' is submitted at the concerned Areas within 05.04.2024. In case the 'opt out' option is not exercised on or before 05.04.2024, the customers shall be bound to take coal if offered in the changed grade by paying the differential price and the failure to lift the quantity of coal offered in changed grade will attract forfeiture of bid security.
