Ref.No. WCL/HQ/GM(QC)/ 2273

Dt. Nov 11, 2019
13

श्री,
Area General Manager
WCL/Ballarpur Area

Sub: Inclusion of Sasti No. 3 Incline as an additional feeding colliery to New Sasti Siding of Ballarpur Area for FY 2019-20

Ref: Proposal received from Ballarpur Area vide file No. WCL/BA/SSA/SC/59/1105, dt. 19.10.2019

Dear Sir,

This is to inform that Sasti No. 3 Incline of Ballarpur Area has been included as an **additional** feeding colliery to the New Sasti Siding of Ballarpur Area. The updated list of the feeding collieries of above railway siding (transshipment point) of Ballarpur Area shall be as under for FY 2019-20:

Transshipment Point	Proposed Feeding Collieries/Codes (2019-20)	Corresponding ROM/Cr. ROM
New Sasti Siding	i) Gouri Exp (A) OC	G10
	ii) Gouri Deep OC (Cost Plus)	G13
	iii) Sasti Exp OC	G11
	iv) Pouni OC	
	v) Pouni-II Exp OC (Pouni-II Part)	
	vi) Sasti No. 3 Incline (Additional)	G8

With the above decision, since above siding shall henceforth receive coal of 4 different grades, you are requested to ensure that the said coal received at the siding does not get mixed together but stacked separately at the pre-demarcated places and is loaded into rail wagons accordingly, depending on the availability of stock of each grade at the time of loading.

This issues with the approval of the competent authority and has come into immediate effect and shall remain valid till 31st March 2020.

Yours faithfully,

General Manager (QC)
