Ref.No. WCL/HQ/GM(QC)/ 2274

Dt. Nov 11, 2019

प्रति,  
Area General Manager  
WCL/Ballarpur Area

**Sub: Inclusion of Ballarpur UG (3&4 Pits) as an additional feeding colliery to Ballarpur CHP Wharfwall Siding of Ballarpur Area for FY 2019-20**

**Ref:** Proposal received from Ballarpur Area vide file No. WCL/BA/BSA/1123, dt.20/24.10.2019

Dear Sir,

This is to inform that Ballarpur UG (3&4 Pits) of Ballarpur Area has been included as an **additional** feeding colliery to the Ballarpur CHP Wharfwall Siding of Ballarpur Area. The updated list of the feeding collieries of above railway siding (transshipment point) of Ballarpur Area shall be as under for FY 2019-20:

Transshipment Point	Proposed Feeding Collieries/Codes (2019-20)	Corresponding ROM/Cr. ROM
Ballarpur CHP Wharfwall Siding	i) Ballarpur OC	G12
	ii) Gouri Exp (A) OC	G10
	iii) Pouni-II Exp OC (Pouni-II OC Part)	G11
	iv) Pouni OC	
	v) Ballarpur UG (3&4 Pits) (Additional)	G7

With the above decision, since above siding shall henceforth receive coal of 4 different grades, you are requested to ensure that the said coal received at the siding does not get mixed together but stacked separately at the pre-demarcated places and is loaded into rail wagons accordingly, depending on the availability of stock of each grade at the time of loading.

This issues with the approval of the competent authority and has come into immediate effect and shall remain valid till 31<sup>st</sup> March 2020.

Yours faithfully,

General Manager (QC)
