OFFICE ORDER

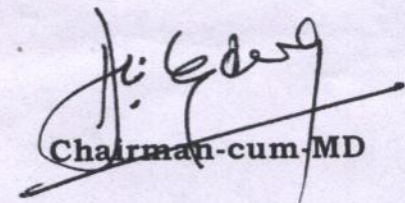

Sub : TC deliberations – eligibility of tenderer and submission of TCR.

It has been observed in a file of Civil Engineering Deptt that one of the tenderer was declared non-eligible to participate in the tender by the Tender Committee/technical member/in-charge of the department initially, and later the same tenderer was made as eligible tenderer by the same Tender Committee/Technical Member leading to abnormal delay in finalisation of the tender.

All concerned are hereby advised to note that decision about eligibility or non-eligibility, either technically or commercially in a tender should not be at the whims and fancies of the members of the Technical Member/Technical Committee, specially when rules in this direction are very clear. Any decision taken contrary to the guidelines or terms of NIT or manual, if adopted by anybody, either as a member of Tender Committee or as a Dealing Officer of the file, while routing through various departments, is to be viewed as sabotage or ill-motivated with malafide intention and be dealt with accordingly.

All concerned officers of the TC in the concerned departments should be once again reiterated to be transparent and impartial in scrutinizing the offers, and the time limits prescribed must be adhered to. Any deviation or delay shall be viewed seriously and may attract action against those who act in deviation to the laid down policies, guidelines or circular or are found either individually or collectively responsible for any delay.

All must ensure compliance of the above directives.

Chairman-cum-MD
