**CIRCULAR**

During investigation of a vigilance case related to deployment of Pay Loader for loading of coal into road sale trucks, it has been observed that Pay Loader was unauthorisedly deployed for loading of coal into road sale trucks without valid permission / work order. This has been viewed seriously hence cannot be permitted under any circumstances.

It is, therefore, directed that availability of loading equipment / valid permission / contract for loading of coal into road sale trucks should be ensured before sending any offer for e-auction by the Area to Sales & Marketing Deptt. of Hqrs. The Area Authorities shall ensure and monitor such system of loading of coal into road sale trucks as well as maintain the quality of coal as per the Delivery Orders.
