4th October, 2008

CIRCULAR

In a work done by contractor, it was observed by Vigilance Department that repeated time extension was given beyond the original tender period, without competent approval. As per prevailing norms, extension can be given to the extent of original tender period by the tender awarding authority. Any extension beyond the original tender period needs approval from the Director concerned.

It is, therefore, reiterated that this should be strictly complied and any extension beyond the original period of tender should be with the approval of Director concerned.
