To
The Area General Manager,
WCL, Chandrapur Area.

Dear Sir,

Sub: Complaint regarding procurement of Reflective Vest/Reflective Harness by WCL:-

During the course of investigation of a subject complaint, it has been observed that the initial estimates at the rate of Rs 2025/- of a DGMS approved Reflective Vest/Reflective Harness prepared by the indenting officer and the final approval of estimated rates at WCL, Chandrapur Area based on previous supply orders and without any market survey needs correction.

In this regards it is futher suggested as follows to take note of all concerned for corrective measures while dealings with such type of cases in future tenders;

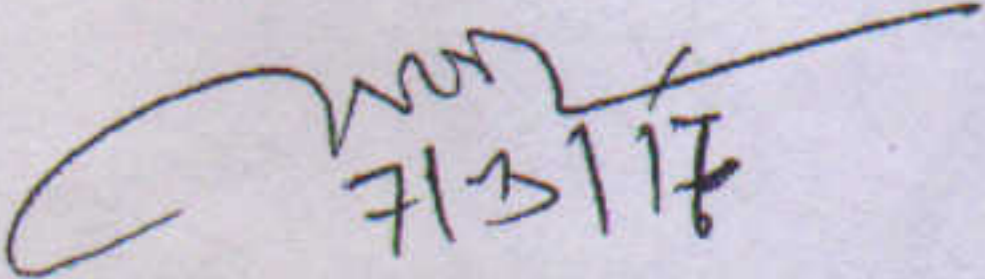

(i) To freeze the purchase price of tender under reference no. WCL/cha-pur-e241-2014-15 dated 01/03/2015 for procurement of Reflective Harness and not to consider in future NIT.

(ii) During technical evaluation of bids; current type test certificates of items should be asked from the bidders.

(iii) Quality Assurance Plan for visual inspection & laboratory testing shall be formulated to ensure that incoming materials are meeting desired quality as per governing specification during acceptance stage

The above systematic measures supersede this office's earlier letter no. WCL/VIG/D(T)/P&P/17/143 dated 17/01/2017.

This instructions is in addition to the existing system if any and should be strictly complied by all the tendering authorities/concerned authorities of HQ/Areas and Sub Areas of WCL.
