CIRCULAR

It has been observed in some cases that during execution of construction and allied works, addition and alteration of works are being done beyond contract provisions which give rise to excess/saving in amount with respect to the agreement, without prior approval of the competent authority.

In view of the above, all concerned officials are hereby advised to note that such practices are to be stopped henceforth and addition/alteration works beyond the contractual provisions, which may be necessary during execution, shall not be executed, without obtaining prior approval of the competent authority.
